

I STUDIED
YOU
REALLY
WELL.

HUM?
A JAR.?

WHY A
NINJA?
ANY OLD
WOUNDS?

YOUR
PAST?
YOUR
CONTACTS?

CAN YOU
ALSO
REPLICATE
THEIR
POISONS
AND
TECHNIQUES?

WHY
IS A
TANKI
LIVING
AMONG
HUMANS?

WHAT YOU
TRANSFORM
INTO WHEN
YOU'RE
CORNERED...
WHAT
YOU CAN
TRANSFORM
INTO...

RIGHT...
EVEN IF
HE MIGHT
NOT LOOK
LIKE
MUCH...

I
UNDERESTIMATED
HIM!

IF YOU'RE
A NINJA
YOU HAVE
TO BE
SNEAKER,
LEAVING
THESE HINTS
BEHIND.

HE
MADE
THAT
(MONSTER)
FOX
HIS
WIFE!

I
lost...

HELLO

IT'S A
CUSTOM-MADE
HEAVY-DUTY
JAR...
YOU'LL
JUST CRUSH
YOURSELF.

OH
AND...

DON'T TRY
TO BREAK
THIS JAR
BY
TRANSFORMING
INTO
SOMETHING
BIGGER.

Yo G-P here.

Hello again. Man. I saw the second page and thought about putting a note between the panels with:

"NO. Make woosh sounds with your mouth or something", but surprisingly this wasn't too bad to redraw. Skill comes with practice I guess. I didn't drink much the last days and boy, I'm bored and irritable. Moods swings you wouldn't believe. Gotta get me another bottle of dry red today and get my alcohol level back up to healthy levels.

I want to try out new stuff, but I don't want to end up with nasty stuff. Doppio Passo is *the shit*.

Get yourself a man that looks you up like this husband looked up this Tanuki.
